*“Knowledge, Tempered by Reason,
with the Goal of Excellence”*

Sigma Iota Epsilon is both an honorary and a professional fraternity. Its general purpose is twofold: to encourage and recognize scholastic excellence and to promote cooperation between the academic and practical aspects of management.

Specifically, the purposes of Sigma Iota Epsilon are to:

- Stimulate interest and achievement in the field of management
- Stimulate scholarship in management
- Facilitate contacts between students and practicing managers
- Recognize persons who have made contributions to the field of management
- Gain recognition of the contribution and value of scholastic achievement in the management discipline.
